Product Catalog 2024 - 2025

Preface

We

"Vardhman Plastics" are one of the eminent manufacturers of wide range of plastic houseware as well as office use products like Pencil Boxes, Lunch Boxes, Water Bottles, Thermoware Bottles, Microwave series etc. designed as per the international quality standards.

Incepted in the year 2013 at Mumbai, our extensive domain experience in combination with our expertise in this field has helped us in meeting every client's individual demand with success. We have with us a state-of-the-art infrastructure, equipped with modern machinery and latest technologies, that back us in delivering flawless gamut of these products. Further, we also own a veteran team of professionals, who work with passion to meet the bulk and customized demand of every client.

The whole team work under the profound guidance of our owner, Mr.Chirag Shah Owing to his in depth experience of 14 years and extensive support, we have been able to face the existing challenges with complete zeal and enthusiasm. Moreover, it is our captivating range of products, commitment to time-constraints, transparent business dealings and cost effectiveness that has bagged us a wide base of clients locally and internationally.

Vision

- To secure steadfast confidence of our customers by delivering immaculate, long-lasting, eco-friendly and most stylish plastic household products
- To stretch our hands in national and international markets and become a biggest consumer product company
